

DENZA D9

ELEGANCE REIMAGINED

Power that Redefines Elegance

The DENZA D9 is a game-changer in luxury mobility. This all-electric seven-seater MPV combines a powerful eight-in-one motor and a Blade Battery for an extraordinary driving experience while keeping safety at its core.

Available in front-wheel drive configuration, the DENZA D9 offers an impressive electric driving range of up to 600 km. With the comfort of second-row seats and spacious interior space, plus a massage function and an in-car refrigerator, the DENZA D9 enhances your journey.

Waistline to Meteor Track

The DENZA D9's design flows seamlessly from the classic waistline to the meteor track-inspired curves, combining elegance with dynamic performance.

Motion Front Grill

The DENZA D9's sleek exterior merges the precision of π with smooth motion, featuring a minimalist π -Motion front design that radiates modern elegance.

Arrow Tail Light

Our Arrow Tail Light adopt a refined vertical design, accentuated by the iconic π symbol to enhance the visual impact.

Middle Row Electric Sliding Door

With the touch of a button or a sensor activation, the door slides open automatically, providing a hands-free experience that adds a level of luxury and convenience.

Electric Trunk with Position Memory and Anti Pinch

The enormous 410L to 570L trunk (fits up to 7 large suitcases) can accommodate any lifestyle need. With enough room for a large air bed, the DENZA D9 takes luxury road trips to the next level.

Multi-color Ambient Lighting | 15.6 Inch Head Unit with Voice Control "Hi DENZA" | Three Zone Independently A/C

10.25 Inch 3D Instrument Cluster

50 W Wireless Smartphone Charger
(1st & 2nd row)

Seven Seats, Equally Superb

The second-row seats utilize a 1,080 mm long electric slide rail, creating a spacious interior for all passengers to enjoy the luxury of the DENZA D9.

Immersive Acoustics

The DENZA D9 is equipped with 14 Dynaudio speakers and 7.1-channel surround sound technology.

Custom-tuned by Dynaudio's chief tuner Bjarke, it creates a concert-like auditory experience.

Retractable Table

The Retractable Table has a sleek, simple design and is built for comfort. It's easy to use, offering space for eating, working, or entertainment during your trip.

Integrated Refrigerator

The middle row has a smart beverage cabinet with a heating/cooling box, electric tray, and cup holders. The box supports cloud control, a forgotten-item reminder, and a temperature range -6 °C to 50 °C.

Massage & Ventilated Seat

The DENZA D9's captain seats feature an electric slide rail, creating an exceptionally spacious interior. The ergonomic, zero-gravity seats are made from the finest leather and include a ventilated seat function. They come equipped with ten-way electric adjustment, six-way adjustable sleeping headrests, electric leg rests, and wide-angle backrest adjustment with a massage function.

Panoramic Roof

A vast panoramic roof fills the cabin with natural light, while the double-layer glass blocks 99% of UV rays.

Multifunctional Dual LED Screen

With its multifunctional dual LED screen, the DENZA D9 ensures effortless control and a premium experience for passengers.

Comfortable Third Row

The DENZA D9 offers a comfortable third row with ample space, designed to ensure a relaxed and enjoyable ride for all passengers.

Detailed Safety Features & Performance

Complete Protection

All-round protection for everyone with strategically placed airbags in all three rows.

Uncompromised Safety

Uncompromising safety with a high-strength steel frame and advanced collision protection.

e-Platform 3.0

Exclusive platform combined with the power of Blade Battery, offers driving experience & journey like no other.

Blade Battery

Advanced battery technology for safely ultimate performance.

8 in 1 Electric Powertrain

DENZA D9 features an innovative powertrain that optimizes space and ultimate performance.

Mobile phone NFC car key requires the mobile phone to have NFC function, and the mobile phone manufacturer authorized DENZA to enable the relevant functions of the mobile phone, the specific support for the mobile phone model, please contact the local DENZA direct store or the actual situation of the mobile phone you use;
5. About pure electric range: In actual road driving, different ambient temperatures, driving habits and maneuvers will lead to different endurance;

Brand Story

DENZA was founded in 2010 with a focus on creating luxury new energy vehicles. From the start, it has prioritized collaboration with users and aimed to build a smart, safe, and sensory-driven luxury car brand.

After 14 years of growth, DENZA has continued to innovate and strengthen its products. In 2022, the brand introduced the D9, N7, and N8 models, committed to offering a new luxury experience and optimizing travel for users worldwide, while opening up new possibilities for the future of electric luxury cars.

Delivering Luxury, Comfort, and the Best Service
